ABOUT THE PROGRAM

Every year, Habitat for Humanity of Long Island invites companies and organizations to send groups out to our construction sites to help build affordable homes for low to moderate income working families. Annually, our Sponsor for a Day program raises upwards of \$100,000, helping to fulfill our mission of creating a safe place for deserving families to call home. A \$2,500 donation secures one full team-build day with 15 employees/volunteers. As part of this sponsorship, Habitat Long Island will feature your company in our marketing materials and on social media.

BECOME AN ELITE SPONSOR

More than building homes, we build communities, hope and the opportunity for families to help themselves. The additional funding to become an Elite Sponsor For A Day, helps Habitat Long Island build more homes for deserving families, giving them long-term financial security and a place to call home. As a thank you for your generosity, your volunteers will receive a commemorative t-shirt and lunch on build day.

1

Select a date(s) that works for your group and email outreach@habitatLINY.org. We build Tuesday through Saturday all year-round.

2

We will email you a link to access the Sponsor for a Day agreement form. Complete the form and provide 3 preferred dates to volunteer.

3

Start gathering volunteers. Once the date is confirmed, you will receive the volunteer sign up directions and details.

OUR HISTORY

Since 1988, Habitat Long Island has empowered over 200 families to achieve their dreams of homeownership through our Affordable Home Ownership Program. Habitat Long Island's goal is to build an average of 8-10 houses annually, building for as long as needed to make sure every family on Long Island has a safe, decent and affordable place to live and call home.

In recognition, of our leadership's accountability and organizational transparency, Habitat Long Island was awarded the highest recognition provided by the not-for-profit oversight organizations Guidestar (Gold) and Charity Navigator (Four-Star). We are proud of these designations and are committed to continuing to enhance our organization's management, accountability and fiscal responsibility.

WHY WE ASK YOU TO DONATE

On average, each Habitat Long Island home costs \$275,000 to build. Our program contributions are one of our most important sources of funding. Your donation gives us the necessary funding to help us continue our vision of a world where everyone has a safe place to live. All donations are tax-deductible, Habitat for Humanity of Long Island is a 501(c)3 nonprofit organization.

BENEFITS

Sponsor recognition in all marketing materials including website and social media - Great team building experience.

AGE & EXPERIENCE

No experience is needed to volunteer, we also provide all the tools and H2O. You must be 18 years of age to participate.
