

Honoring the legacy of President Jimmy Carter

CEO Build May 13, 2025 | 19 Chestnut Street, Wyandanch

Habitat Honors a Life of Service

At this year's CEO Build, we will honor the remarkable legacy of President Jimmy Carter, whose unwavering dedication to Habitat's mission has transformed countless lives. Together, we will raise the walls of a new affordable home in Wyandanch, providing a hardworking family with the stability and security they need to build a brighter future.

As part of this special tribute, sponsors will have the opportunity to sign a framed wall or door, leaving messages of gratitude, reflection, and hope. This heartfelt gesture will stand as a lasting tribute to President Carter's profound impact on our mission.

Come participate in this inspiring effort.

What is CEO Build?

Habitat Long Island's CEO Build Program, harnesses the collective power of C-Suite and executive leaders, uniting them to build a forever home for a local family in need of affordable housing. Each year, more than 30 top-level executives trade their business suits for work boots and hard hats, working side by side to create a lasting impact in their community.

HABITAT HONORS A LIFE OF SERVICE

Join us in honoring the legacy of President Jimmy Carter by participating in our 2025 CEO Build, an inspiring opportunity for business leaders to roll up their sleeves and make a difference.

President Carter showed the world that leadership goes beyond the boardroom—it's about action, compassion, and community. By sponsoring this build, you can lead by example, demonstrating to your staff and the community that your organization is committed to solving the affordable housing crisis.
