Habitat for Humanity®
of Long Island, NY

2022-2023

ANNUAL REPORT

Together, we build strength, stability and self-reliance through shelter.

Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

At Habitat Long Island, we firmly believe that everyone deserves a decent place to live. We understand that when families have this fundamental foundation in place, they become a stronger and more empowered force for positive change in their own lives and within their communities.

With secure housing, families are empowered to invest in their neighborhoods and take the lead in driving further growth and revitalization efforts.

Building Homes, Strengthening Communities

Over the past year, Habitat for Humanity of Long Island helped five families achieve the dream of homeownership by building five new homes in our community. These homes represent far more than construction projects—they are foundations for stability, opportunity, and a brighter future.

Each home was made possible through the combined efforts of dedicated volunteers, generous donors, corporate partners, community supporters, and Habitat staff. From the first foundation to the final coat of paint, every hour of volunteer service and every contribution played a vital role in turning a vision into a place families can proudly call home.

For these five families, homeownership means having a safe and affordable place to live, creating greater financial stability, and providing a stronger foundation for their children and future generations. Their stories demonstrate the lasting impact that affordable housing can have—not only on individual families, but on entire communities.

This work would not be possible without the generosity and commitment of our supporters. Together, we are helping address the need for affordable housing on Long Island and creating opportunities for families to build strength, stability, and self-reliance through homeownership.

As we celebrate these five completed homes, we also look ahead to the families who are still waiting for an affordable place to call home. With your continued partnership, we can build more homes, empower more families, and create stronger communities across Long Island.

Together, we are building more than homes. We are building hope, opportunity, and a stronger future for Long Island.

Together, we build not just houses but futures – where dreams take root, and the warmth of a home extends far beyond its walls.

Five new homes

Owning our own home means everything to us. This house has been tailored to accommodate Zach's needs, ensuring his safety and mobility. With more space indoors and a backyard for the twins to thrive, we're excited to create lasting memories with loved ones. Being part of building our home is a rare opportunity, one we'll cherish and share with our daughters for years to come. We're eternally grateful to Habitat Long Island and the volunteers who made our dream a reality.

Jessica and Zachary, Shirley
Homeowner, 2022

Despite the busy hours I put in at the hospital, I was thrilled to be able to build our dream home together. This journey not only promises a haven for Devon and me but also inspires me to explore ways to give back to our community. To the incredible volunteers and donors who have made this dream a reality, your support paves the way for the space, stability, and comfort we've yearned for. And to our dear friends at Habitat Long Island, your unwavering dedication fills our hearts with warmth and appreciation.

Helen and Devon, Bayshore
Homeowner, 2022

Our Habitat home will offer my children a chance to experience the joys of childhood. It will also instill in me a greater sense of responsibility and security. As I contribute to building our home, I want my children to witness the importance of gratitude, pride, and humility. Being part of the Habitat family means I'm committed to its mission and believe in paying it forward. My hope is to inspire my children to give back and deeply appreciate the opportunity we've been given with Habitat.

Allyson, Patchogue
Homeowner, 2022

Now that we've settled into our new home, the excitement of sharing it with my youngest children, Jason, 26, and Jamiya, 13, fills me with immense joy. We feel incredibly blessed to have our own rooms, finally having the personal space we've longed for. Moreover, having designated areas like a dining room for family meals and a living room for relaxation and bonding enhances our daily lives. It's crucial to recognize that none of this would have been achievable without the unwavering support of generous donors and dedicated volunteers. We are endlessly grateful to Habitat Long Island for turning our dreams into reality.

Sahlise, Riverside Homeowners, 2023

Owning our home marks the beginning of our journey towards starting a family, providing us with a profound sense of security and a cherished place to call our own. Crucially, it lays the groundwork for nurturing the future we envision, a loving environment for the children we aspire to welcome into our lives. We express heartfelt gratitude for the opportunity to participate in Habitat Suffolk's homeownership program, partnering with an organization deeply committed to community support. We feel incredibly fortunate to be surrounded by individuals who are genuinely dedicated to making a difference in the lives of others.

Christopher and Amanda, Riverside Homeowners, 2023

Our Programs

WE BUILD

Our volunteers are the heartbeat of our organization, hailing from various walks of life – from eager high school students to seasoned retirees, and from corporate professionals to members of faith-based communities. What unites them is a profound love for our community and a shared passion for making a difference.

Their involvement touches every aspect of our work, from the meticulous process of selecting and supporting homeowners, to reaching out and connecting with our community, to the day-to-day tasks in our administrative office, and finally to the hands-on construction of the homes we build. Their unwavering dedication and selfless contributions embody the spirit of compassion and service, propelling our mission forward with boundless heart and soul.

We're proud to share the impact of Habitat for Humanity ReStore, where every purchase and donation contributes to our vision of a world where everyone has a decent place to live.

In the past year, our total sales reached an impressive $1,774,392.08, with an average sales transaction of $56.37. This was made possible by the sale of 21,832 items, resulting in a remarkable 100 tons saved from going to our local landfill.

Habitat for Humanity ReStore serves as a hub for treasure hunters and bargain shoppers alike, offering a wide array of new and gently used items. Businesses can also partner with us to reduce costs by donating excess inventory, including overstock, obsolete items, manufacturer overruns, slight seconds, customer misorders, floor models, and discontinued product lines.

Through shopping, donating, and volunteering at the ReStore, you're not only finding great deals and repurposing items, but you're also empowering individuals and families as they build or improve their homes. Your support directly impacts our community, making it easier than ever to make a difference. Join us in our mission to create a world where everyone has a place to call home.
